

# INTERIOR & EXTERIOR COLLECTION

 **ASIA'S NO.1** PAINT BRAND

# The INTERIOR

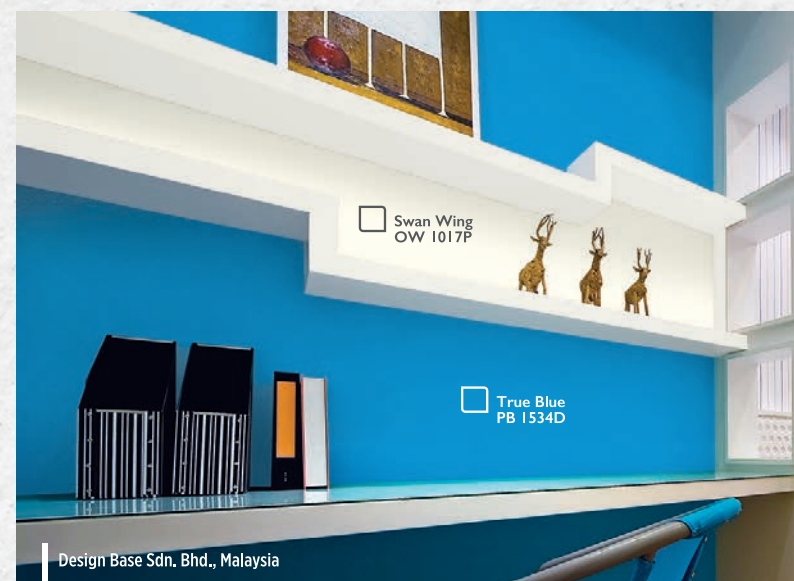

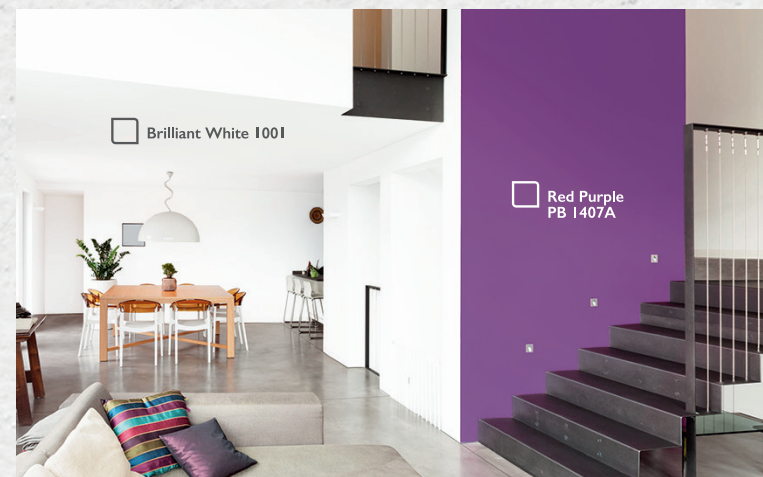

Refresh your child's bedroom by matching blue walls with green accents. These colours can give your child soothing feeling and help to improve their creative and cognitive abilities.

**BRIGHT IDEAS!**

As kitchens are always likely to be filled with colourful items, you only need a small area to be highlighted in a bright colour. Don't overuse the colours, or your kitchen will look too busy.

\* Studies from Antimikrop R&D & Biocidal Analysis Laboratory.  
All colours shown are as close to modern printing techniques permit and for inspiration purposes only. Kindly refer to actual colour chips for more accurate colour shades.

Finishing Indication\*\*

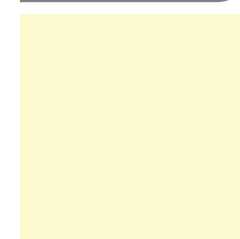

High Gloss

Mid Sheen

Sheen

Matt

\*\* Gloss level and colour are affected by:  
1. Surface texture  
2. Surface porosity  
3. Atmosphere

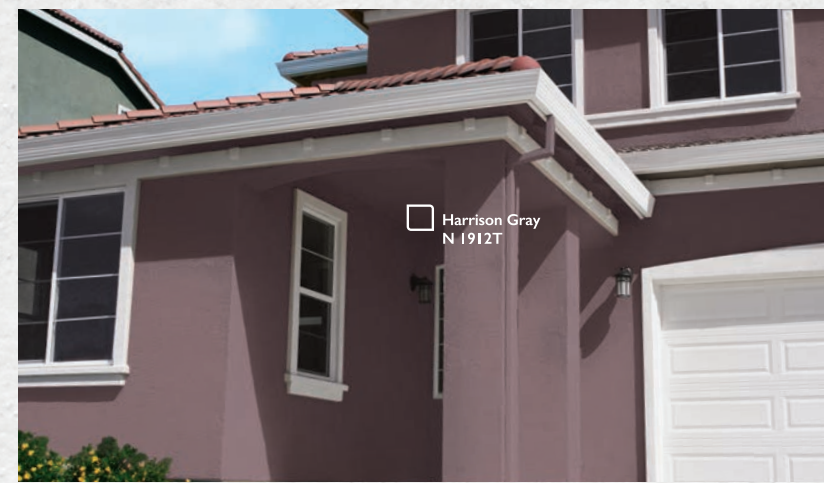

# The EXTERIOR

BRIGHT IDEAS!

Create a soothing and earthy outdoor living space that reveals the beauty of mountainous finishing of granite by pairing the grey colour and light colours with tilelac ema base.

BRIGHT IDEAS!

Many loves red, but red is often viewed as too much for the colour of walls. However, a red accent wall can perfectly beautify your home. Don't be afraid to splash a little red for your home's exterior. Best to balance it with cream colours!

All colours shown are as close to modern printing techniques permit and for inspiration purposes only. Kindly refer to actual colour chips for more accurate colour shades.

**Momento®**  
Special Effect Paint

Paint Momento® Special Effect in places where you would least expect to WOW your guests the moment they walk in.

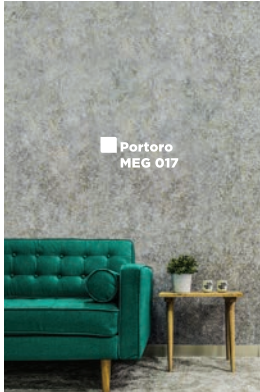

## TEXTURED Series

A unique paint that creates specially textured walls with an opaque finish, featuring five unique special effects.

### ELEGANT

A matt textured finish, with rustic colours of rich vibrancy.

### ELEGANT GOLD

A matt textured finish, with rustic colours dusted in gold shine.

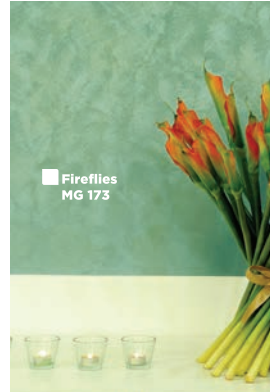

### SPARKLE PEARL

A textured finish of luminous colours with a pearlescent glow.

### SPARKLE SILVER

A textured semi-metallic finish with shimmering colours bathed in silver light.

### SPARKLE GOLD

A textured semi-metallic finish with majestic colour dusted in gold shine.

## ENHANCER Series

A special line of translucent paint that enhances any existing wall colour with a semi-transparent glaze-over. It features two unique special effects.

### FROST

A unique texture that brings winter mornings touched with Snow Frost, Pearl Frost and Gold Frost variants.

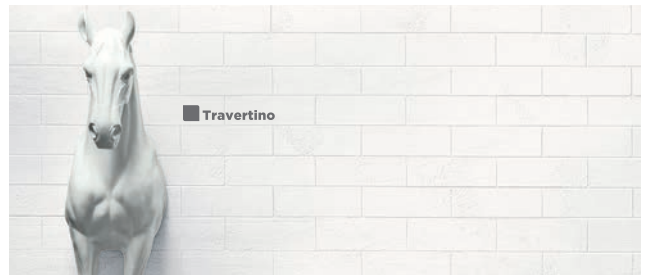

### CLOUD

A special finish of sophisticated semi-transparent colours with a tinge of pearlescent shimmer, that comes in Cloud Pearl and Cloud Gold variants.

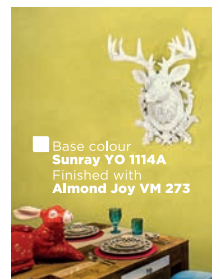

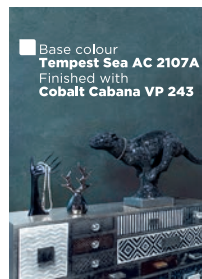

## DESIGNER Series

Experience a sophisticated line of professional effect paint that masterfully mimics the extraordinary beauty of real-life textures.

### TRAVERTINO

Let you create a brick wall from scratch. Formulated to be easily carved, shaped or patterned; mix and match with any of your favourite colours for unsurpassed creative combinations.

### VELVET

The plush special effect paint replicates the soft and sensual textures of velvety suede to give walls a unique and distinctive finish.

### OPTICAL

Futuristic interior design arrives in style with minor shine and sparkling chrome special effects, expressed with a brilliant palette of ultra-metallic colours.

### RUST BOX

Inspired by the natural patterns and palettes of distressed metals and corroding rust, traditional industrial chic gets a modern twist with this unique collection of special effect paint.
